

Special Winter Offer for Quick, Qualitative and Advantageous Quotation of Your Electronic Product

From 11th January until 26th February Hansa Matrix offers to make quotation for your product on very favourable conditions.

Quotation time depends on a specific product but will not exceed 5 working days.

To receive a quote please provide the following information:

- Company name, address, contact person
- Accurate Bill of Materials (BOM) complete with manufacturers' names and part numbers. Supplier names for specific components. (Required)
- Placement drawings. Complete Gerber data files preferred
- Expected Annual Usage (EAU) with a Release Schedule; Example: EAU = 12,000 with Monthly Releases of 1,000 units. (Required)
- Pictures and/or Samples of each assembly will be very helpfull
- Housing drawings with dimensions, tolerances and material type if needed
- PCB coating material type if needed
- Packing type
- Delivery terms (EXW, DDU, etc.)
- All special requirements for Your product (Special industry standarts for production)

Gerber and/or Assembly Drawing: Drawings containing placement information and/or any special requirements of the assembly such as hardware installation, special instructions, modifications, etc.

You are now ready to send a request for quote!
